

Australian Radiation Protection and Nuclear Safety Act 1998
Australian Radiation Protection and Nuclear Safety Regulations 2018

**Notice of proposal to make a declaration of exemption in relation to a
controlled facility**

I, Gillian Hirth, CEO of ARPANSA, acting under the *Australian Radiation Protection and Nuclear Safety Act 1998* hereby notify of my proposal to make the following declaration of exemption under subsection 43(2) of the Australian Radiation Protection and Nuclear Safety Regulations 2018:

That preparation of a site for and construction of Elekta Versa HD, serial number 109351 to be located in Yallambie, Victoria by the ARPANSA Medical Radiation Services Branch does not, or will not, pose an unacceptable potential hazard to the health and safety of people or the environment.

For further information contact ARPANSA at [Contact Us | ARPANSA](#)
