Nuclear-based science benefiting all Australians

File 06/749

May 2007

Dr J Loy
Chief Executive Officer
ARPANSA
PO Box 655
Miranda NSW 1490

Dear Dr Loy,

Application for a Facility Licence, "Possess or Control" replacing the HIFAR Facility (Operating) Licence No. FO0044-4A

Please find enclosed an application from ANSTO requesting a Facility Licence, "Possess or Control" under the provisions of Section 30 of the ARPANS Act 1998 and Regulation 39 of the ARPANS Regulations 1999, replacing the existing HIFAR Operating Licence following the permanent shutdown of the reactor and the initial closure activities.

The application fee of \$105,000 has been submitted by electronic funds transfer to ARPANSA nominated account.

Yours sincerely,

DR IAN SMITH
Executive Director

cc: Chief of Operations, ANSTO
General Manager, Reactor Operations
General Manager, Technical Services and Facilities Management
General Manager, Safety and Radiation Services

Enclosures:

1. Part A of the ARPANSA Facility Licence Application Forms
2. Application for a Possess or Control Licence for the HIFAR Facility (Document ANSTO/06/749, consisting of five parts)
